3. Compensation is defined as either cash payment or compensatory time off, or a combination of cash payment and compensatory time off, in accordance with the overtime code established for the employee's class. Employees shall have their overtime hours computed as follows:

ARTICLE 5. HOURS OF WORK, PREMIUMS AND BONUSES (Cont'd)

Balances which exceed one hundred sixty (160) hours will automatically be reduced to one hundred sixty (160) hours.
2. Employees will be given the opportunity to take off accumulated compensatory time before exceeding one hundred sixty (160) hours or having their accumulation reduced. When granting compensatory time off, the appointing authority will give consideration to the desires of the employee.
3. An employee shall have fifteen (15) working days advance notice before being required to take compensatory time off. This fifteen (15) day notice shall not apply to departments headed by elected appointing authorities unless approved by said elected appointing authorities.

Such calculation shall not include any increase in pay which would have occurred had the sick leave been granted, nor shall it include payment for any holidays.

Any sick leave, compensatory time, or other paid leave used in lieu of injury leave after such date of commencement, shall be restored to the employee's balance(s), except that if the difference between the paid leave used and the injury leave for the same time period requires that employee reimburse County, the difference shall be deducted from the balances restored, to the extent available.

The County may deduct from any future payments it makes to such employee an amount equal to the total of such excess payment. Insofar as practical, such deduction shall be done by a method that will not cause undue hardship to the employee. 3. Nothing herein contained shall be deemed to affect the employee's entitlement to medical, surgical and hospital treatment or temporary disability indemnity benefits under Workers' Compensation.

ARTICLE 6. PAID LEAVES (Cont'd)

E. Procedures

1. The appointing authority shall provide the employee written notice of the administrative leave, its effective date and duration, and the reasons for placing the employee on such leave. A copy of this notice shall be sent to the Director and the Payroll Division of the Auditor and Controller.

Employees who are not probationary employees shall be eligible to apply for Voluntary Transfers to vacancies which occur in their own classifications. An employee who has requested and been granted a Voluntary Transfer shall not be eligible to apply for another Voluntary Transfer until the employee has served no less than twelve (12) full months in the Service to which the employee was transferred. An employee who accepts a promotional appointment or a voluntary change in class status will be required to remain with the new Service assignment for a minimum of twelve (12) months and will not be eligible for voluntary transfer until the twelve (12) months of service has been completed.

ARTICLE 10. PERSONNEL PRACTICES (Cont'd)

D. Voluntary Transfer File

The Personnel Officer shall maintain a Voluntary Transfer File which shall be open to inspection by employees and authorized representatives of the Union. Information regarding the status of an employee's Transfer Request may be obtained from the Personnel Officer. The Personnel Officer shall purge from the Voluntary Transfer File all prior requests as of April 1st in each year.

E. Criteria for Approval of Voluntary Transfers

In filling a vacancy by Voluntary Transfer, the Chief Probation Officer or the Chief Probation Officer's designee may interview some or all of the applicants for the vacancy who are eligible for voluntary transfer pursuant to the provisions of this Article.

Intra-Service Transfers shall receive priority over Inter-Service Transfers in filling a vacancy within a Probation Service. An employee's stated preference for a specific assignment within a Service shall be considered; however, the first consideration shall be the needs of the Service. In the event that two (2) or more employees are eligible and equally qualified for a vacancy, the most senior employee shall be granted the transfer.

F. Denial or Postponement of Voluntary Transfers

The Chief Probation Officer or the Chief Probation Officer's designee may deny or postpone a Voluntary Transfer request when the Chief Probation Officer or the Chief Probation Officer's designee has determined that is necessary to deny or postpone approval of a transfer because of staffing requirements, cost considerations or public service requirements. Denial of a Voluntary Transfer request shall not be used as a form of discipline against an employee. An eligible employee who has been denied a Voluntary Transfer shall have the right of appeal through the grievance procedure.

G. Conditions of Approval

An employee who has had his or her Voluntary Transfer request approved shall be expected to make every effort to reduce his or her compensatory time accumulation to a minimum prior to the effective date of the transfer. An employee accepting a Voluntary Transfer shall do so with the understanding that in the event that his or

ARTICLE 10. PERSONNEL PRACTICES (Cont'd)

her performance in the new assignment is not satisfactory, the employee may be returned to his or her former assignment or to another assignment by Administrative Transfer.

Section 4. Hardship Transfers

A. Definition

A situation, condition, experience, or task almost beyond one's ability to suffer, surmount or solve and often beyond one's power to control. Hardships may be temporary or permanent. A handicap that renders success more difficult in a certain position may be a hardship.

B. In the event that an employee wishes to request a transfer based on personal hardship, the following procedure shall apply:

Step 1: The employee shall submit a request in writing to the Department's Personnel Officer asking for transfer because of hardship. The employee shall specify the nature of the hardship and provide detailed documentation such as medical reports. If the Personnel Officer denies the request or fails within five (5) days from receipt of a request to make a response, the employee proceeds to the next step.

Step 2: The employee within five (5) days of receipt of the denial requests in writing that a hearing be held by the Chief Probation Officer or his designee. Such hearing shall be scheduled with five (5) working days unless time is waived by mutual agreement.

Step 3: The Chief Probation Officer, or his designee, following hearing, will within five (5) working days determine whether a hardship exists, what remedy is necessary if a hardship exists, and what time limitations may be established for remedy of the hardship. Decision of the Chief Probation Officer is final.

Step 4: The Chief Probation Officer, or his designee, if hardship exists and requires remedy, will administratively transfer the employee to a vacancy which remedies the situation or may in order of seniority administratively transfer another employee to create a vacancy for the "hardship" employee. Upon termination of the "hardship" period, the employees will be

ARTICLE 10. PERSONNEL PRACTICES (Cont'd)

returned to their former Service, and to the extent possible, to their former position.

- C. A person administratively transferred upon granting of a temporary hardship will not be considered for voluntary transfer or accrue seniority for transfer purpose during the interim of the hardship status.
- D. Hardship Transfers are administrative in nature and take priority over any Voluntary Transfer provisions. Employees who are transferred as a result of a permanent "hardship" shall retain their rights to seniority as in any Administrative Transfer. Denial of a "Hardship" Transfer shall not be used as a disciplinary measure.

Section 5. Job Swap

- A. Any employee may apply for a two (2) year duration Inter-Service swap to another Service assignment in the same class. The job swap is to a service only and does not preclude an employee being moved within that service. Employees who are STC certified in the new service may apply for a twelve (12) month duration Inter-Service swap between those services. Employees who are not STC certified in the new service may apply for an eighteen (18) month duration Inter-Service swap between those services. The employees who participate must have met the requirements of Article 10, Section 3.C.
- B. Such applications shall be made on the standard transfer form and kept on file by the Departmental Personnel Officer.
- C. When such application is matched by another application the swap shall be considered by the affected Service Deputy Chiefs. If more than one (1) such match is available, the Personnel Officer shall send matching applications in order of seniority rating to the affected Service Deputy Chiefs for their consideration.
- D. Overall approval of such matched applications shall require the individual approval of each affected Service Deputy Chief, with the approval/disapproval of any matched applications at their sole discretion.
- E. Each such swap of job assignments shall be for the period indicated on the application which is described in subsection (a) of this Section, following which the employees shall immediately be returned to their former field service or parent institution assignments. In the event of an impending abolition of one (1) or both of the swapped job assignments, both employees shall immediately be returned to their former assignments. This shall apply also in the event either employee has a change in job status, e.g., promotion, military service, etc. In the case of promotion the swap shall be rescinded prior to the promotion being made.

ARTICLE 10. PERSONNEL PRACTICES (Cont'd)

- F. The second sentence of "Conditions of Approval" in Section 3.G. of this Article shall apply to both employees so that unsatisfactory performance by either shall result in both being returned to their former field service or parent institution assignment. This shall also apply in the event that either becomes physically unable to perform the duties of the job assignment.
- G. With the exception of transfer rights, each employee shall enjoy, for In-Service determinations only, the seniority privileges of the other at the new assignment relative to that new assignment.
- H. If either party accepts a voluntary transfer while on the job swap, the job swap ends.

Section 6. Disciplinary Actions

- A. Formal disciplinary actions consist of written reprimands, suspensions, reductions in rank or compensation, or removals and are defined as those formal actions that are recognized by the Civil Service Rules, Section 7.3.
- B. At the time of conferences, meetings, or hearings held for the purpose of disciplinary action as defined in Paragraph A or an investigatory interview which the employee reasonably believes may result in disciplinary action, the employee shall have the right to representation, including Union representation.
- C. If the Department takes disciplinary action against an employee, the Department shall furnish the employee a copy of all documents or written statements used by the Department as a basis for its action.
- D. Before suspending, demoting, or removing an employee, the Department shall furnish the employee with timely notice of the proposed action and the reasons for the action.
- E. The employee, (except in emergency circumstances as defined in Civil Service Rule 7.2.1(b)) shall have the right to respond to the Department. If the employee so desires he/she shall be entitled to a representative in the preparation and presentation of his/her response. The Charter of the County of San Diego and the Civil Service Rules shall govern those disciplinary actions which are appealable to the Civil Service Commission.
- F. Reductions in rank or compensation, suspensions or removals are appealable to the Civil Service Commission.

ARTICLE 10. PERSONNEL PRACTICES (Cont'd)

- G. Letters of warning and written reprimands are reviewable through the grievance procedure.
- H. When an employee is suspended, the period of suspension shall be defined in terms of workdays and work hours.

Section 7. Letters

- A. Employees shall receive a copy of any adverse statement written by employee's supervisor or management concerning their own work performance or conduct.
- B. Employees or a representative with the written consent of an employee may inspect their own personnel file with the exception of all material obtained from other employers and agencies at the time the employee was hired.

Section 8. Emergent Complaint

- A. When an emergent complaint (e.g., via telephone) charges the employee with behavior or conduct which can be refuted or verified through immediate investigation with the employee, such investigation may be initiated.
- B. The employee shall be notified verbally prior to such investigation and confirmed by written communication. Upon completion of the investigation, the employee will be notified of the results. If the complaint proves to be unfounded, all records of the investigation shall be removed from the employee's files. It is recognized that the Department and County have the right to conduct such investigation without interference or participation of the employee, employee's representative or employee organization.

Section 9. Supervisors Documentation of Employee Performance

A. Documentation

An employee will be provided with a copy of any written material concerning his or her performance of the kind which is known as "Record of Discussion." Such documentation must be accompanied by a discussion with the employee of the contents thereof. Upon the employee's request any such material will be reviewed and considered for purging twelve (12) months after the date of issuance.

Any document that was mistakenly placed in the employee's personnel file, shall be removed from the personnel file by the Department of Human Resources upon the written request of the employee and the employee's appointing authority.

ARTICLE 10. PERSONNEL PRACTICES (Cont'd)

B. Rebuttal

The employee may add a rebuttal to such adverse material within fourteen (14) calendar days. This shall be attached to the adverse material.

C. Alternate Work Schedule Changes

If an employee's alternate work schedule is changed to address performance issues, the employee will be given the reason(s) for the change. The employee will also be given goals to achieve and a time line for resuming their alternate schedule.

D. Performance Evaluations

All departments shall follow Department of Human Resources Policy 0805B.

Section 10. Legal Representation

- A. At the request of an employee and subject to any limitations provided by law, the County will provide for the employee's defense in any civil action or proceeding initiated against the employee by a person or entity other than the County in a court of competent jurisdiction arising out of any act or omission by the employee occurring within the course and scope of his/her employment as an employee of the County.
- B. Nothing herein shall be deemed to require the provision of such defense where the discretion to provide or not provide such defense is vested in the County pursuant to the provisions of the California Government Code, now and as amended, or where the act or omission was not within the scope of the employee's employment, or the employee acted or failed to act because of actual fraud, corruption or actual malice, or where the provision of such defense would create a conflict of interest between the County and the employee.
- C. Nothing herein shall be construed to grant to any employee any rights or privileges in addition to those provided in the said Government Code.

Section 11. Layoff Procedure

A. General

ARTICLE 10. PERSONNEL PRACTICES (Cont'd)

When the Board of Supervisors determines it is necessary through lack of work or funds, to reduce the number of employees in any class covered by this Agreement, the appointing authority of the department concerned shall notify the Director in writing of the number of employees to be laid off, the class title, and the date the employees are to be laid off. Upon receipt of such notice, the Director shall give to the appointing authority, the names of the employees who should be first laid off in accordance with this procedure.

B. Exceptions

1. Suborganizational Layoff. When the appointing authority so requests, the Chief Administrative Officer may authorize an appointing authority to lay off employees within a division, office, section, institution or other subdivision of an office, department or institution instead of laying off employees from the office, department or institution as a whole. In such case, the foregoing provisions shall be applied to the division, office, section, institution or other subdivisions within which the Chief Administrative Officer has authorized the layoff. Prior to such layoff, the appointing authority shall provide the Union with notice and, upon request, shall meet on the impact of the layoff with the Union to discuss this matter and alternatives to such layoff.
2. Required Specialized Skills. When the appointing authority so requests, employees who perform required services and possess specialized knowledge, and/or skill not possessed by other employees in the Department and which are necessary to the operation of the Department, may be excepted from layoff, as authorized, at a public meeting, by the Civil Service Commission pursuant to a finding that such exception from layoff is in the public interest.

C. Notice of Layoff

1. DHR Notice to Department and to Union. Prior to the occurrence of a layoff, the Director shall provide written notice to the Union when the Department is notified of any employees covered by this Agreement, who are identified for layoff. This notice shall list all persons in the affected class including the number, class title, seniority rating, and date on which affected employees are to be laid off.
2. Appointing Authority Notice to Employees. Upon receipt of the layoff list, the appointing authority shall prepare and serve a Notice of Layoff. The notice shall contain the following information.
 - a. The effective date of layoff;

ARTICLE 10. PERSONNEL PRACTICES (Cont'd)

- g. A statement that the employee has the opportunity to contact the Director or designated representative no later than five (5) business days after receipt of the Notice of Layoff to inspect the records relating to the computation of the layoff list including the employee's seniority rating and ranking, and to meet with the Director or designated representative regarding any corrections related to such list, rating, or ranking. The employee shall be informed that failure to contact or meet with the Director or designated representative within the prescribed period will be deemed a waiver of any objections that might have been raised regarding the list, rating, or ranking;
- h. A statement that the layoff will be effective on the date indicated unless the appointing authority advises the employee in writing otherwise prior to the effective date and time set forth on the notice;
- i. A copy of provisions of Rule XIV of the Rules pertaining to layoff.

D. Approval and Service of Notice

The Notice of Layoff shall be approved by County Counsel prior to its distribution to any employee. The Notice of Layoff shall be served, either personally or by mail, on an employee at least thirty (30) calendar days prior to the effective date of the layoff.

E. Order of Layoff

Except for permanent employees who volunteer to be laid off, the order of layoff within the class and in the Department, shall be in the following order (the appointing authority may lay off a volunteer for layoff at any point in this order):

ARTICLE 10. PERSONNEL PRACTICES (Cont'd)

1. Provisional Employee. Definition: An employee who has not completed a probationary period and who has not been appointed to his/her present class from an eligible list.
2. Certified Temporary Employee. Definition: An employee who has not completed a probationary period and has been temporarily appointed from an eligible list for a specified period.

Permanent employees shall be laid off according to the layoff ratings, lowest ratings first. The order of layoff within categories 1), 2), and 3), and for permanent employees with equal layoff ratings, shall be at the appointing authority's discretion. Employees on leave shall be laid off or demoted in lieu of layoff as if they were active employees.

F. Seniority

Seniority is the employee's total hours of continuous County service. All service of a blanketed-in employee shall, for the period prior to classification to the position, be credited for seniority purposes whether or not it was continuous. All seniority is lost upon resignation or dismissal. Any employee who has gained permanent status and is laid off, shall, if reinstated, regain his/her seniority credit possessed at the time he/she was laid off.

G. Calculation of Layoff Rating

1. Continuous-service-date to May 23, 1986 ("historical" layoff rating). The purpose of this "historical" layoff rating is to calculate employees' service credit for purposes of the past to the last day of the full pay period beginning May 9, 1986. These points will constitute employee's layoff rating for the past, to which the points calculated for prospective implementation (standard layoff rating) will be added as provided below:

Historical layoff rating: One (1) point for each hour of continuous (unbroken) service from last date employee was hired into the classified service (eighty (80) points for each full biweekly pay period).

ARTICLE 10. PERSONNEL PRACTICES (Cont'd)

2. Standard layoff rating. One (1) point for each hour of paid service (excludes all unpaid leaves or periods of suspension but includes short-term voluntary work furlough), after the day specified in (a) above.
3. Formula for combining historical and standard layoff ratings. Employees in classes identified for layoff shall have their seniority calculated as follows to combine historical and standard ratings:

Total historical ratings: _____ Hrs.
Plus: standard rating: _____ Hrs.
Total: _____ Hrs./Points

The total of these two ratings shall constitute the employee's official layoff rating.

H. Demotion in Lieu of Layoff

The appointing authority shall determine by class, subject to review by the Director, whether demotion shall be afforded employees as an option in lieu of layoff.

At the request of the appointing authority, a permanent employee shall, in lieu of layoff, be afforded the option of demotion within the same department to a position in a lower class, provided that no such demotion shall in turn require the layoff or demotion from such lower class of any employee whose layoff rating is at least as high as that of the demoting employee. A probationary employee may be afforded the opportunity to accept a demotion within the same department to a position in a lower class provided no such demotion shall in turn require the layoff of any employee in the lower class. Such probationer shall not become permanent in the lower class by this action except by completing a new full probation period in such lower class.

I. Cash in Lieu of Compensatory Time Off

The Board of Supervisors may approve the payment of cash in lieu of compensatory time off for any employee who is laid off when such payment is in the best interests of the public service, or is required by the Fair Labor Standards Act.

J. Eligibility to be Placed on Reinstatement List

A permanent employee who is laid off, demoted in lieu of layoff, or whose compensation ordinance position is to be deleted as a result of the Board of Supervisors having had a second reading of an Ordinance amendment to delete the

ARTICLE 10. PERSONNEL PRACTICES (Cont'd)

position, shall have his/her name placed on the reinstatement list for the class from which the employee is, or is to be, laid off or demoted in lieu of layoff. Employees shall be on the reinstatement list for three (3) years except that an employee who three (3) times refuses an offer of reinstatement to the class from which he/she was laid off, or to a class of equal status, or fails to respond to an offer of reinstatement, shall have his/her name removed from the reinstatement list following said refusal. In addition, if the employee on the reinstatement list is appointed to a class from which he/she was laid off, or to a different class of equal or greater status than the reinstatement list class, then his/her name shall be removed from the reinstatement list. An employee who accepts an offer of reinstatement to the class from which he/she was laid off shall also be removed from the reinstatement list upon the date of reinstatement. The placement on the reinstatement list shall be determined in the same manner as for the order of layoff except in the inverse order thereof.

Employees on the reinstatement list shall have the first right of reinstatement to any vacancies in any department for the class for which he/she is eligible for such reinstatement, subject to the following:

1. A new probationary period shall not be required of any employee reinstated to the department from which he/she was laid off;
2. A new probationary period shall be required of an employee reinstated to a different department than that from which he/she was laid off, except that failure of probation shall return the employee to the reinstatement list. In no event shall such failure of probation extend the employee's placement on the reinstatement list beyond three (3) years from the date of placement on it.
3. A reinstated employee will regain his/her seniority credit possessed at the time he/she was laid off, which shall count for purposes of vacation accrual rate and step increase. In addition, the employee's sick leave balance (except for that portion for which the employee was paid cash at the time of layoff), and compensatory time off balance accrued as of layoff, shall be reinstated.

Section 12. Safety

The employee shall report such condition to the supervisor in writing as soon as possible. After receipt of a written report, the supervisor shall have the responsibility to remedy the situation or to seek an opinion from qualified personnel in the County whether an unsafe working condition exists. If a determination is made that an unsafe working condition exists, corrective action process shall be initiated as soon as possible.
- E. If the supervisor fails to respond or refuses to initiate the corrective action process, the employee may present the written report to his/her Union steward, or if no steward is available, the Union field representative. Such Union officer shall be entitled to communicate with the appropriate safety officer(s) or, subsequently, the appointing authority's representative to seek a resolution of the issue.
- F. A disagreement between the employee and the supervisor as to whether or not an unsafe working condition exists may be addressed pursuant to the Grievance Procedure. Such grievance shall be processed in an expeditious manner.

However, this Labor Management Committee shall not have the authority to add to, amend, or modify this Memorandum of Agreement.

ARTICLE 10. PERSONNEL PRACTICES (Cont'd)

3. Issues to be discussed at meetings shall be submitted to the mutually designated committee coordinator along with the names of resource people, if any, for an agenda prior to the meeting. If additional resource people are needed, a reasonable number may be added to the meeting, subject to their availability.
4. Meetings: The Labor Management Committee shall be authorized to meet on County premises and on County time, not to exceed two (2) hours per meeting.

Section 14. Drug and Alcohol Use Policy

LETTERS OF UNDERSTANDING

“LETTERS OF UNDERSTANDING”

1. BARGAINING UNIT REASSIGNMENTS

This attests to and records the agreement of the County of San Diego (County) and Service Employees International Union, Local 2028, AFL-CIO, CLC (Union), Probation Unit (PO), concerning bargaining unit reassignments involving Probation Aides, Correctional Counselors and Supervising Correctional Counselors.

The County of San Diego Labor Relations Ordinance Article V, Section 2, provides that existing job classifications may be transferred between represented units by the County upon the agreement of a majority of the employees in the classification, the employee organization involved and the County.

The County and the Union agree to the following bargaining unit reassignments subject to agreement by a majority of the employees in the involved classifications:

- Probation Aide (#2319)
(move from PO Unit to Public Services (PS) Unit)
- Correctional Counselor (#5050)
(move from PO Unit to Professional (PR) Unit)
- Supervising Correctional Counselor (#5051)
(move from PO Unit to Middle Management (MM) Unit)

Upon reaching a successor Memorandum of Agreement, the County shall provide written notice of the proposed unit modifications described above to the employees in the affected classifications at least thirty (30) days prior to the effective date of such change.

2. CDPO I EDUCATIONAL DEGREES

The County will work with SEIU to review on a one (1) time basis, the number of CDPO I, who are active employees as of June 29, 2001 and who have obtained an AA or Bachelor's degree on or before November 3, 2000.

After the identification of such employees, the Probation Department will consider prospective step advancement based on variable entry education criteria, available funding and other relevant factors.

3. INSTITUTIONAL EMPLOYEES PREMIUM & 84 HOUR SCHEDULES

This attests to and records the agreement of the County of San Diego (County) and Service Employees International Union, Local 2028, AFL-CIO, CLC (Union), Probation Unit (PO), concerning the administration of the Institutional Employees Premium and 84 hour schedules within the Probation Department.

The Probation Department has applied the Institutional Employees Premium and related 84 hour schedules to employees who are not currently assigned to an Institution and do not qualify for such premium and related eighty-four (84) hour schedules under the provisions of the current Memorandum of Agreement. This discrepancy is addressed by County proposal "G" dated April 10, 2001 which applies the Institutional Employees Premium only to those employees who actually have a normal full-time schedule of eighty (80) or eighty-four (84) hour working hours biweekly pay period who work in a twenty-four (24) hour institutional assignment and Article 3, Section 9 Employees On 84-Hour schedule.

The Union has identified concerns regarding the impact of this clarification on the employees specified on the attached listing.

In order to address and resolve the Union's concerns and to avoid negatively impacting current employees who are receiving the Institutional Employees Premium and/or related eighty-four (84) hour schedule, the County will provide grandfathering status for the Institutional Employees Premium and/or related eighty-four (84) hour schedule to those employees specified on the attached listing updated as of June 29, 2001, so that they will continue to receive the Institutional Employees Premium and/or the related eighty-four (84) hour schedule while they remain in their current assignments. However, an employee who, subsequent to the date of this Letter of Understanding, moves for any reason to another assignment shall lose this grandfathering status for the Institutional Employees Premium and/or related 84-hour schedule upon assuming the new assignment.

4. OFFICER REPORTS

This attests to and records the agreement of the County of San Diego (County) and Service Employees International Union, Local 2028, AFL-CIO, CLC (Union), Probation Unit (PO), concerning officer reports within the Probation Department.

The Union has identified concerns regarding officer reports and retrievability of these reports in reference to officer safety.

In order to address the Union's concerns, with the implementation of a new case load management system in 2001-2002, Juvenile Hall management shall implement a process that will number all incident reports to improve the retrievability of these reports.

All incident reports shall be retained for a minimum of five (5) years.

5. OFFICER SAFETY

This attests to and records the agreement of the County of San Diego (County) and Service Employees International Union, Local 2028, AFL-CIO, CLC (Union), Probation Unit (PO), concerning officer safety within the Probation Department.

The Union has identified concerns about officer safety within the Probation Department regarding defensive tactics training and use of pepper spray while on duty.

In order to address and resolve the Union's concerns, the Probation Department will send a letter to employees confirming that all sworn staff will be provided an opportunity to attend annual defensive tactics training and that sworn staff following OC training, shall be authorized to carry pepper spray while on duty.

The letter from the department to employees will be prepared as soon as practical but not later than sixty (60) days after the effective date of the successor agreement.

In those unusual circumstances where an officer reasonably feels that an unannounced home visit would present a significant risk, he/she will discuss the situation with their supervisor and the supervisor will determine the appropriate action which may include delaying the home visit, referring it to a Probation armed unit and/or to local law enforcement.

Additionally, the Probation Department agrees to establish an Officer Safety Committee with SEIU to assure that staff have input on the development of Officer Safety policy and procedures.

6. PRODUCTION STANDARDS

This attests to and records the agreement of the County of San Diego (County) and Service Employees International Union, Local 2028, AFL-CIO, CLC (Union), Probation Unit (PO), concerning production standards within the Probation Department.

The Union has identified concerns about production standards and yardstick benchmarks within the Probation Department.

In order to address the Union's concerns, the Probation Department shall discuss current production and yardstick standards in the Labor Management Committee. If the department pursues a yardstick study during the term of the Agreement, the department shall establish a sub-committee in partnership with the Union to review and provide input on the time study process and outcomes.

7. RESTRUCTURING OF MEMORANDUM OF AGREEMENT

This attests to and records the agreement of the County of San Diego (County) and Service Employees International Union, Local 2028, AFL-CIO-CLC (Union), Probation Unit (PO), concerning restructuring of the Memorandum of Agreement.

The current PO Unit Memorandum of Agreement is inconsistent with the format of other SEIU contracts.

The County and the Union will work together to restructure and reformat the Memorandum of Agreement to be consistent with other SEIU contracts. This effort should result with a Memorandum of Agreement that is more user friendly to the Probation Unit employees, the Union, and the County.

The parties shall endeavor to meet within fourteen (14) days of reaching a successor agreement and conclude the restructuring within sixty (60) days of the successor agreement so that distribution of the new agreement is completed in a timely fashion.

8. SPECIALTY POSITIONS

This attests to and records the agreement of the County of San Diego (County) and Service Employees International Union, Local 2028, AFL-CIO, CLC (Union), Probation Unit (PO), concerning the administration of "specialty positions" within the Probation Department.

The Probation Department has used specialty positions for unique assignments and programs that are generally funded through grants or other temporary funding sources. These programs must be properly staffed and successful to ensure continued funding and the future viability of the program.

The Union has identified numerous concerns regarding the specialty positions within the Probation Department including the posting of vacancies, objective selection criteria, selection procedures, the increasing number of these assignments and the objection to these positions being classified as specialty positions.

The Probation Department will meet with the Union within ninety (90) days after the effective date of the successor agreement to discuss the definition, process and procedures regarding specialty positions. Subsequently, the department will review the administration of specialty positions including the specific areas identified by the Union and provide an update of any administrative changes to the Labor Management Committee.

9. TEMPORARY WORKERS

This attests to and records the agreement of the County of San Diego (County) and Service Employees International Union, Local 2028, AFL-CIO, CLC (Union) concerning issues raised by the Union concerning practices in County Departments regarding the use of temporary workers.

The County will furnish the Union data from County Departments about temporary workers. The County will prepare a report of all County temporary workers in all Departments by title. The County will review the report with the Union and discuss any impact on Bargaining Unit work.

The report will be prepared as soon as practical but not later than ninety (90) days after the effective date of this Memorandum of Agreement.
